PROFESSIONAL EXPERIENCE

- Freelancer** New Delhi, India
Branding, Marketing & Tech Consultant (Full-time) June 2023 - Present
 - Personal Branding & Consulting:** Transformed 30+ client profiles; revamped CVs, portfolios, and pitches across 50+ 1:1 sessions spanning public speaking, career strategy, and brand positioning.
 - Marketing & Growth:** Scaled 10+ brands and 15+ personal profiles to 1M+ impressions; drove 50% average growth in visibility through funnel optimization, SaaS growth loops, and targeted organic campaigns.
 - Developer Relations and Tech Lead:** Spearheaded 5+ developer programs across 2,000+ community members; led documentation, technical content, and community campaigns, boosting active developer participation by 40%.
- Injoit Ltd, Trading as “QuickBlox”** United Kingdom, Europe
Founder’s Office Assistant - Intern (Full-time) Aug 2025 - Oct 2025
 - Developer Relations & Pre-Sales:** Drove developer adoption for 2 AI product lines; integrated APIs, stress-tested SDKs, and produced technical blogs, video demos, and onboarding guides. Led client meetings, pitched products to prospective accounts, & managed customer success touchpoints.
 - Social Media & Community Management:** Owned end-to-end content strategy across LinkedIn, X, Instagram, and Discord; executed data-driven calendars and grew community engagement by 30%.
- Airports Authority of India** New Delhi, India
Information Technology Intern (Full-time) June 2025 - July 2025
 - AI/ML Engineering:** Built two production-grade solutions using Python and NLP; deployed within HR and healthcare verticals and presented to senior leadership.
 - Aviation IT Infrastructure:** Contributed to Digi Yatra rollout, cybersecurity protocols, and airport data centre operations across AAI’s enterprise IT environment.

PROJECTS

- J.A.N.A.N.I. — AI-Powered Maternal Health Platform:** Built a full-stack AI/ML platform delivering personalized maternal care — featuring real-time health scoring, smart symptom analysis, AI chatbot, and PCOS tracking across every stage of pregnancy and deployed in a production-like environment.
- Kartavya Events — Youth Leadership Venture:** Built a full-stack event management platform and ops infrastructure from scratch, organized multiple youth conferences for 2,000+ participants, and achieved 60% profit margins with 500K+ impressions through data-driven execution.

SKILLS

- Technical:** HTML/CSS, Python, API Integration, Git, AI/ML, Prompt Engineering, SaaS Tools, Web3
- Product & Growth:** Product Roadmapping, Go-to-Market Strategy, OKRs & KPIs, SEO & Analytics, Funnel Optimization, Social Media Strategy, Notion, Canva
- Professional:** Public Speaking, Event Management, Leadership, Content Creation, Personal Branding, Community Building

LEADERSHIP & EXTRACURRICULAR EXPERIENCE

- CODE GEEKS COMMUNITY — CMO & Advisor:** Executed 10+ events and secured 100K+ in sponsorships. Managed 8000+ applications and led promotions, achieving 500K+ impressions.
- HACK WITH INDIA — Core Member:** Drove intercollegiate engagement and co-organized large-scale hackathons (25,000+ registrations) in collaboration with Microsoft and Google.
- Bifröst EdTech — Core Member:** Managed 50 organizations and curated curricula to enhance learning and student opportunities, gaining cross-functional tech experience across more than 10 departments.
